

Save Money & Downtime with a Preventative Maintenance Contract

Benefits of our PM Service Plan:

- Lock in your truck's **Preventative Maintenance** now at a reduced rate, avoiding escalating costs.
- Work will be performed by a factory-trained technician at an authorized dealership.
- Timely scheduled maintenance helps extend the life of your truck.
- Our accurate maintenance records on your vehicle can increase its value at trade.
- Doing Scheduled Maintenance reduces chances of breakdowns.
- Plans include FREE Vischeck* truck undercarriage diagnostic.
- A Preventative Maintenance Plan can be written on All Makes of new & used trucks for any size fleet.

Our Warranty Manager at your preferred MPG Dealership can design a customized maintenance plan for your truck(s) and situation.
