E-Log seminars set for SC Open House

Two seminars on **Electronic Logging Devices (ELDs)** are planned during **Peterbilt of Sioux City's** Customer Appreciation Open House on **Sept. 11.**

The E-Log mandate is effective Dec. 18.

A representative from the Iowa Department of Transportation will discuss the **E-Log mandate** at 11 a.m. and 2 p.m.

More than 25 vendors will be on hand during the Open House, which is set for 10 a.m.-3 p.m. New 2018 trucks also will be on display. **Peterbilt of Sioux City** is at 4135 Harbor Drive; take exit 143 off I-29.

ELD enforcement timetable

U.S. commercial vehicle enforcement officials say they will delay implementation of out-of-service criteria related to ELDs until April 1, 2018.

On Dec. 18, inspectors and roadside enforcement personnel will begin documenting ELD rule violations on roadside inspection reports, according to the CVSA. At the jurisdiction's discretion, inspectors will issue citations to commercial motor vehicle drivers operating vehicles without a compliant ELD.

Beginning April 1, inspectors will start placing commercial motor vehicle drivers out of service if their vehicle is not equipped with the required device. Read more about the mandate at <http://bit.ly/2gjuIpC>

Classic, working trucks on display

*Overcast skies and intermittent rain showers couldn't deter the hundreds of truckers and industry enthusiasts who turned out Aug. 5 for the **IA-NE Classic Truck Show and NTA Working Truck Show** in Omaha. View more photos at www.pbtruck.com/showphotos.aspx*
